Preface	iii
Why “Getting Results”?	iii
The Goal of this Book.....	iii
Intended Audience.....	iv
Conventions	iv
PART I - GROUND SCHOOL	xv
1. What Your Mom Never Told You about Video Editing	16
So What Can I Do With VideoStudio?	16
And What Can’t I Do?	18
Terms, Acronyms, and Jargon.....	18
A Brief History of Video Editing.....	19
Key Concepts	20
What Do We Mean By “Digital?”	20
Compression	22
Video Attributes	22
Digital Video and DV	24
The VideoStudio Project File.....	24
Rendering	24
Real Time.....	25
Codec	26
Keying.....	26
Blue screening.....	27
Alpha What?	28
Alpha Channels in Action.....	29
Online Resources.....	31
2. If You Want a Silk Purse Don’t Start with a Sow’s Ear	32
How to Use a Camcorder. Really.....	32
The Parts of the Cam Part.....	32
When All Else Fails, Follow Directions	33
Feature by Feature.....	34
Shooting Better Footage	38
Number One: Lighting	39

Number Two: Composition.....	44
Number Three: Camera Position.....	51
Number Four: Camera Movement.....	55
A Final Word	56
Getting Better Audio.....	56
Built-In Microphone.....	57
External Microphones.....	57
Stereo vs. Mono	58
Monitoring Audio	58
Wind	58
For Further Reading.....	58
3. Failure to Plan is Planning for Failure	59
The Planning Process.....	59
The Idea.....	59
Pre-production.....	61
Production.....	63
Post-production.....	64
Isn't That a Lot of Work?	66
Storyboarding	67
Reusability.....	68
File Management	68
File Locations	69
Renaming Files	70
Project Archiving.....	70
Do I Need Special Hard Disks?	73
Folder Locations	73
Version Control	74
Project Management	75
4. The Pen Is Mightier Than the Sword.....	78
Fundamentals	78
A Brief History of Typography	79
Terminology.....	80
Quick Typographical & Titling Tips.....	82
Elements of Design.....	86
What Is Your Goal?.....	86
How Can You Get There Effectively?.....	87

If You Don't Like It, How Can You Fix It?	91
Being Creative.....	92
Low-Tech Titling.....	93
The Pros and Cons of Low-Tech	93
No-Tech Titles.....	94
VideoStudio Titles.....	96
External Programs.....	97
Paint Programs	97
Office Productivity Software	98
3D Software.....	98
5. A No-Nonsense Overview of VideoStudio	99
First Impressions	100
User Interface.....	100
Customization.....	101
The Basics	101
A Quick Introduction to the VideoStudio Interface	102
Menu & Steps.....	103
Options Panel.....	103
Preview Window.....	103
Library	103
Navigation Panel	104
Timeline.....	105
Summary	105
Capturing	106
DV	106
Analog.....	106
USB.....	106
Analog Capturing Choices.....	107
Capture Setup	109
Actually Capturing Video.....	112
DV Quick Scan.....	116
Editing	118
The Timeline	118
Fundamental Timeline Concepts	118
The VideoStudio Editing Paradigm.....	122
The Library.....	122
Previewing	124

SmartRender	124
External Monitors.....	125
Delivering.....	126
Picking a Format.....	126
Picking a Format.....	126
Formats Demystified	127
Create Video File	130
Create Sound File	133
Create Disc	133
Project Playback.....	134
Export	134
DV Recording	135
Share Video Online	135
Saving to VHS.....	136
Congratulations!	137
PART II · TAKE OFF	139
6. I've Looked Everywhere and Just Can't Figure It Out	140
Getting off the Ground	140
The CD Files.....	141
Timeline Basics	142
Ripple Editing.....	144
Introduction to Transitions	146
Fade To Black Transition.....	148
Fade to Black Transition Again	149
Make Your Own: a Fade to White Transition.....	149
Create a Camera Flash Effect.....	151
A Brilliant Fade to White Transition.....	151
Customizing a Video Filter Using Keyframes.....	152
Make Your Own: a "Crossblur" Transition	155
Combining Video Filters	157
Previewing Part of Your Timeline	158
Create a Picture in Picture Effect.....	159
Get Creative with Picture in Picture	161
Get More Creative with Picture in Picture.....	162
Chroma Key That Picture.....	164

Chroma Keying With a Busy Background.....	166
Distort Your Picture in Picture	166
Using Alpha Channels.....	167
Create a Transition on the Overlay Track.....	168
Create Transitions Between Four Clips Simultaneously	169
Do a Split Screen.....	171
Remove a Chunk from the Middle of a Clip	174
Remove Several Chunks from the Middle of a Clip.....	175
Slow Motion.....	177
Create a Freeze Frame	178
Create a Better Freeze Frame	179
Create a Better Better Freeze Frame.....	179
Add Rolling Credits.....	180
Create More Realistic Rolling Credits	182
Create Even More Realistic Rolling Credits	183
Overlay Overlays On Your Text	186
Vertically Center Text.....	187
Combining Title Animations	188
Combining Title Animations: The Next Level	189
Make Your Own DVD	191
7. The Bestest Project Ever: Introducing the Montage	197
Definition & Purpose.....	197
The Video Montage.....	197
Step 1—Capture.....	198
Step 2—Edit.....	198
Step 3—Effect.....	199
Step 4—Overlay.....	202
Step 5—Title	203
Step 6—Audio.....	204
Step 6½ — Fixing What You Broke.....	205
Step 7—Share	207
So How'd It Go?	212
The Photo Montage.....	213
Digitizing.....	213
Retouching	217
Dropping & Finishing.....	219

The Highly Improved Photo Montage	221
The Photo Montage for the Lazy at Heart.....	228
8. How Cool Is That? VideoStudio in High Gear	230
The Scripted Project	230
Project Phases	231
Planning.....	231
Scripting	231
Storyboarding	232
Recording	232
Editing	233
Refining	234
Finishing.....	238
The Best Laid Plans.....	240
The Unscripted Video.....	240
Project Direction.....	240
Creating the Source Clips.....	240
First Editing Pass.....	241
Second Editing Pass	243
Final Editing Pass.....	244
Multi-camera Editing.....	245
Pre-Production & Production Planning	245
Capturing Considerations.....	246
Capturing	246
Editing	247
Editing Even More	252
The Nightvision Project.....	255
The Concept	255
Project Structure	255
Audio Synchronization	256
Intro Clip	258
Drive Time	261
Title Text.....	261
Triple Split Screen	262
Quick Flash	263
Picture in Picture	264
Metal Frames	264
Quiet Please!	265

Red Light, Green Light	268
Credits.....	270
Barn Door Title	271
Lightning Strike.....	272
Summary	274
9. Practical Real World Applications with VideoStudio.....	276
Home Videos	276
Old Home Movies.....	279
Dance Recitals & Stage Programs	279
Wedding Videos.....	282
How-To Videos	283
Music Videos	284
Fun Stuff.....	285
Business Videos.....	285
Your Own Video Production Business.....	286
The End.....	288
PART III - APPENDICES	291
A. Tips and Things.....	292
B. Troubleshooting	299
C. Character Sets	311
D. Need More Power?.....	317
Glossary	323
Index.....	337
